

Bay Area Chapter of ANIA

We are excited to announce the launching of the **Bay Area chapter of the American Nursing Informatics Association**. We believe that *nursing should have a voice in Informatics decision making and the future of Information Systems in Healthcare*. We want to be that united voice for the Bay Area.

By becoming a member of the **Bay Area Nursing Informatics Association (BANIA)** you will be able to network with other nursing professionals in the Bay Area with a focus on informatics. We will have quarterly meetings with speakers and access to a list serve where we can query other members on best practices. In 2016 the ANIA conference will be in San Francisco and we can't think of a better opportunity to highlight our chapter.

Want to become a member?

First steps are to join our parent organization, the American Nursing Informatics Association (ANIA). ANIA has been serving nurses and IT professionals since 1982. ANIA blends the science of information technology with nursing practice, education, administration, and research.

Your ANIA membership benefits include:

- ◆ Education and networking opportunities via webinars and regional and national ANIA meetings
- ◆ Reduced rate at the ANIA Annual Conference
- ◆ Reduced rate for Computers, Informatics and Nursing journal
- ◆ Membership in the Alliance for Nursing Informatics
- ◆ E-mail discussion list
- ◆ ANIA Online Library

Membership is \$60 per year and allows us to network and connect with nursing informaticists across the nation. You can join by going to www.ania.org/membership.

Once you have joined ANIA you can join the Bay Area chapter, BANIA, by submitting membership dues to https://www.paypal.com/cgi-bin/webscr?cmd=_s-xclick&hosted_button_id=Q8MH6Z63BLXXU. Membership is \$25 per year.
