Dear Sirs / Mesdames,

Re: Dan Keller

This is a reference letter for Dan Keller, who was my student at Samuel Merritt University. As a full time nursing faculty, I had numerous opportunities to observe and evaluate Mr. Keller's performance.

Mr. Keller was successful in his educational endeavors. His clinical and academic reports met the required standards and were reflective of his professional growth. Mr. Keller responded well to guidance from his clinical instructors and staff in the precepting agencies. His contribution to patient care and teamwork were reflective of his knowledge and experience.

Mr. Keller has a potential to contribute to any team or organization that may attract him. Should you have any further inquiries, please do not hesitate to contact me as per attached contact information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'P. Miskin'.
