

Camp Confederacy Of Dunces

Dated 8/23/2016. C.Spencer

This is version 4 of the proposed Burning Band camp layout.

Changes from version 2 to version 3

1. Papa Dean moved to plaza end
2. Hitman moved to opposite side
3. Kevin and Sam moved to fill area between Papa Dean and Hitman.
4. Mr. Blink moved to back area
5. Bender moved back to back area
6. Guano trailer needs to be disconnect from RV and turned sideways
7. Carbon will bunk in Papa Dean's RV
8. Shane moved to back area
9. Brandon separated from Kevin and Sam

Notes for arrival sequence (Shoehorn exercises):

Front area - sequence is critical to allow cars to move past earlier arrivals!

1. Papa Dean and Hitman are early arrival
2. Aaronious and Guano can interchange depending on who arrives first
3. Geoff will wait until Susan and Kevin are in place before spreading out.
4. Susan needs to wait until Kevin is in place before spreading out
5. Tuba Chuck can assist Guano with detaching the trailer. Chuck's golf cart has a ball trailer hitch.
6. Aaronious (or Guano) and Kevin need to trim their adjacent corners to provide a 5 foot separation

Back area:

1. Tuba Chuck will be in as an early arrival
2. Mr Blink has early arrival from another group
3. Dave needs to wait until Andrew, Bender, and Roger are in place before parking his car in final location

Changes from version 3:

1. Hitman moved to access road
2. Kevin rotated 90 degrees
3. Carpy deleted (big bumper)
4. Goeff and Susan moved toward Esplanade
5. Brandon moved to between Goeff and Hitman

Note for version 4:

Guano may want to stay on the access road

These changes are subject to change when you get to the Playa...

N is an estimate based on 2015 layout for 6:45
